Dear Sir/Madam

We at **EMS Memorial Co-operative Hospital & Research Centre, Perinthalmanna** aim in providing treatment to all, at affordable cost.

Club foot (means deformity of ankle and foot) is an anomaly that occurring one in thousand live birth. If not properly treated this may result in severe deformity and restriction of activities of the child. To wipe out the menace of club foot the Department of Orthopedics, **EMS Memorial Co-operative Hospital has started Free Club Foot Clinic** which operates on all Thursdays from 3 PM to 5 PM.

Our free clinic has registered more than 30 patients in the past ten months. We are giving free service to all these patients including plaster, minor surgery and braces from January 2012. Curing a feet like this requires financial, technical, and moral support for us. Keeping this in mind we plan to conduct a meeting of beneficiaries of CLUB FOOT CLINIC.

Before
Treatment

After
Treatment

We would like to invite your organization for this meeting of club foot beneficiary families on **October 31st 2012 which will be inaugurated by Dr. K. T. Jaleel MLA, at 10 AM** in EMS Hospital Conference Hall. We request you to actively participate in the meeting and if possible extend your valuable support for our mission to wipe out the menace of club foot from our society.

On the behalf of Department of Orthopedics and EMS Hospital.

Dr. A. Mohammed
Chairman

Dr. Vijay PG, MS (Ortho), FHS
